

Summary of 2007 ABB Partnership Days Shanghai

2007 ABB Partnership Days Shanghai, hosted by SPX-Shanghai and ABB, co-organized by University of Shanghai for Science and Technology National Science Park (USST NSP), was held successfully on Nov. 5th. Assistant Vice President Group Supply Chain Management Global Commodity Leader of ABB HQ in Switzerland, Global Commodity leader, Supply Chain Manager, Purchasing Managers of ABB from Sweden, Canada, USA and China attended this event. Also representatives from 35 suppliers were invited. The event was a complete success according to the commentary from ABB, who thinks it an efficient and rewarding event for both sides to get acknowledged to each other in a very short period. After the meeting, most supply chain managers of ABB told us their plan of visiting the suppliers in the near future for further cooperation. ABB is looking forward to the next cooperation.
