## General Conference

### Sixteenth session

Vienna, 30 November-4 December 2015

Item 3 of the provisional agenda

### Adoption of the agenda

## Annotated provisional agenda

### Item 1. Opening of the session

In accordance with rule 34 of the rules of procedure of the General Conference, the President of the fifteenth session, or, in her absence, the head of the delegation from which the President of that session was elected (Peru), will open the sixteenth session of the General Conference.

### Item 2. Election of officers<sup>1</sup>

At each regular session the Conference shall, with due regard for equitable geographical representation, elect, from among the representatives of Members, the following officers: a President and nine Vice-Presidents, as well as a Chairman for each Main Committee (rule 35). The officers elected shall constitute the General Committee.

---

<sup>1</sup> To ensure equitable geographical distribution in the election of officers and the elections to organs, account has to be taken of the latest lists of States to be included in Annex I to the Constitution. The list, as of the date of preparation of the present document, is the same as that included in document PBC.31/11. Before proceeding to the elections, as explained in paragraph 2 of that document, the General Conference will have to decide in which of the lists of States (A, B, C or D) one Member State is to be included.

For reasons of economy, this document has been printed in a limited number. Delegates are kindly requested to bring their copies of documents to meetings.

### **Election of the President**

The election of the President of the General Conference is governed by rule 35 and appendix A of the rules of procedure. However, following an agreement reached among the members of the Lists of States in 2013, when the fifteenth session of the Conference took place in Lima, Peru, the President of the sixteenth session should be elected from States in List B of Annex I to the Constitution. The agreement on the shift of the rotation cycle was circulated in working paper no. 5 on 18 October 2013.

### **Election of other officers**

The nine Vice-Presidents shall be elected so as to ensure the representative character of the General Committee (rule 35.3). Should the Conference decide to establish Main Committees (see item 4 below), the Conference shall also elect a Chairperson for each Main Committee.

### **Item 3. Adoption of the agenda**

In accordance with Article 9.4 (g) of the Constitution, the Industrial Development Board at its forty-third session adopted the provisional agenda for the sixteenth session of the General Conference, as reflected in decision IDB.43/Dec.9. The provisional agenda to be submitted to the Conference for approval is contained in document GC.16/1/Rev.1.

### **Item 4. Organization of work**

In accordance with rule 40, the officers elected shall constitute the General Committee. The General Committee shall propose to the Conference the establishment of Main Committees and of any other sessional bodies of the Conference. It shall propose to the Conference the allocation of items between the plenary, the Main Committees and any other sessional bodies (rule 42). In the past, at each regular session the Conference established a Main Committee to which all the substantive items of the agenda were referred for a more focused debate aimed at the preparation of consensus draft decisions and resolutions for submission to the plenary. The Industrial Development Board, in decision IDB.43/Dec.9, paragraph (d), recommended to the Conference that substantive items of the provisional agenda be allocated to a Main Committee.

Furthermore, in accordance with decision IDB.43/Dec.9, paragraph (e), the President of the forty-third session of the Industrial Development Board will conduct informal consultations for the preparation of the sixteenth session of the Conference. The outcome of these consultations will be brought to the attention of the Conference.

In accordance with decision IDB.43/Dec.9, Member States are urged to submit to the informal consultations any proposed draft decisions or resolutions by 6 November 2015.

When considering the organization of work, it should be kept in mind that the budget for the Conference in the programme and budgets of UNIDO, 2014-2015, provides only for a total of five working days, comprising plenary, Main Committee and geographical group meetings. Moreover, in its decision on preparations for the

General Conference (IDB.43/Dec.9) the Board agreed to hold a forum on industrial development issues within the framework of the Conference (item 9 of the provisional agenda). The draft tentative schedule for the sixteenth session of the Conference is shown in the annex to the present document.

The Conference will have before it:

- List of States included in Annex I to the Constitution of UNIDO (PBC.31/11)
- Report on the results of the informal consultations of Permanent Missions in Vienna for the preparation of the General Conference. Submitted by the Acting President of the forty-third session of the Industrial Development Board, H.E. Mr. SONG Young-wan (Republic of Korea) (GC.16/CRP.2)

#### **Item 5. Credentials of representatives to the Conference**

As stipulated in Article 8.1 of the Constitution of UNIDO, the Conference shall consist of representatives of all Members of the Organization. Membership in the Organization is defined in Article 3 of the Constitution. In accordance with rule 27 of the rules of procedure of the Conference, the credentials of representatives and the names and titles of the other persons constituting the Member's delegation shall be submitted to the Director General if possible not less than one week before the opening of the session which the delegation will attend. Any later change in the composition of the delegation shall also be submitted to the Director General. The credentials of representatives shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs of the Member concerned. A Permanent Representative to the Organization does not require special credentials if his/her letter of accreditation to the Organization specifies that he/she is authorized to represent his/her Government at sessions of the Conference, it being understood that this does not preclude that Government from accrediting another person as its representative by means of special credentials.

A Credentials Committee of nine members shall be appointed at the beginning of the Conference on the proposal of the President. Its composition shall be based on that of the Credentials Committee of the United Nations General Assembly at its seventieth session, which is as follows: Argentina, Austria, Barbados, China, Côte d'Ivoire, Kazakhstan, the Russian Federation, South Africa and the United States of America. The Committee shall examine the credentials of representatives and report without delay to the Conference, which shall decide any question arising (rule 28).
