
General Conference

Nineteenth session

Vienna, 29 November–3 December 2021

Item 27 of the provisional agenda

Personnel matters, including the UNIDO Staff

Pension Committee

Personnel matters: UNIDO Staff Pension Committee

Report by the Director General

The present document provides information on the representation of the Conference on the UNIDO Staff Pension Committee.

I. Representation of the General Conference on the UNIDO Staff Pension Committee

1. By decision GC.1/Dec.37, the General Conference accepted the regulations of the United Nations Joint Staff Pension Fund and established the UNIDO Staff Pension Committee. By decision GC.18/Dec.16, the General Conference elected two members and one alternate member of the UNIDO Staff Pension Committee for the biennium 2020–2021 and authorized the Industrial Development Board to elect new members and alternate members of the UNIDO Staff Pension Committee for any of the posts that might become vacant before the nineteenth session of the Conference.
2. In accordance with paragraph (c) of decision GC.18/Dec.16, on 25 November 2020, the Industrial Development Board elected one member and one alternate of the UNIDO Staff Pension Committee for the remainder of the biennium 2020–2021 (IDB.48/Dec.11). No elections for the UNIDO Staff Pension Committee were held at the forty-ninth session of the Board.

For reasons of sustainability, this document has not been printed. Delegates are kindly requested to refer to electronic versions of all documents.

II. Action required by the Conference

3. The Conference may wish to consider the adoption of the following draft decision:

“The General Conference:

a. Decides to elect the following two members and two alternate members of the UNIDO Staff Pension Committee for the biennium 2022–2023:

Members: (country)
 (country)

Alternates: (country)
 (country);

b. Authorizes the Industrial Development Board to fill any of the above-mentioned posts that might become vacant before the General Conference holds its twentieth session.”
