Relations with intergovernmental, non-governmental, governmental and other organizations

Note by the Director General

The present document provides information on events related to agreements with intergovernmental organizations and to the consultative status of non-governmental organizations associated with the work of UNIDO since the eighteenth session of the General Conference.

I. Introduction

1. In accordance with Article 19 of the Constitution, the General Conference, at its first session, issued guidelines according to which the Director General, with the approval of the Industrial Development Board, may enter into agreements or establish appropriate relations with certain organizations (decision GC.1/Dec.41, annex). Paragraphs 4, 11 and 19 of the guidelines stipulate that the Director General shall report to the Conference at each regular session on any agreements with intergovernmental or governmental organizations or other organizations of the United Nations system entered into by him on behalf of the Organization and on any consultative relations established since the preceding regular session. The present document complies with those stipulations and provides information on related events that have taken place since the eighteenth session of the General Conference.

II. Intergovernmental organizations

2. At its forty-eighth session, in decision IDB.48/Dec.13, the Board authorized the Director General to conclude an appropriate relationship agreement with an intergovernmental organization (IGO), namely the Standards and Metrology Institute for Islamic Countries (SMIIC).

For reasons of sustainability, this document has not been printed. Delegates are kindly requested to refer to electronic versions of all documents.

3. Through decision IDB.49/Dec.13, the Board, at its forty-ninth session, authorized the Director General to conclude an appropriate relationship agreement with an IGO, namely the International Network for Bamboo and Rattan (INBAR).
4. As of 23 September 2021, the total number of IGOs with which the Director General was authorized to negotiate relationship agreements is 64. A listing of the 64 IGOs is provided in annex I to the present document.

III. Non-governmental organizations

5. In decision IDB.48/Dec.14, the Board decided to grant consultative status to a non-governmental organization (NGO), namely the World Union of Small and Medium Enterprises (WUSME).
6. At its forty-ninth session, in decision IDB.49/Dec.12, the Board decided to grant consultative status to two NGOs, namely the Global Energy Interconnection Development and Cooperation Organization (GEIDCO), and the Global Women's Network for the Energy Transition (GWNET). Thus, a total of 38 NGOs currently have consultative status with UNIDO, as shown in annex II to the present document.

IV. Action required of the Conference

7. The Conference may wish to take note of the information contained in the present document.
