

Congratulatory Statement
by H.E. Mr. Muhammad Abdul Muhith, Bangladesh PR
on the appointment of Dr. Gerd Müller
as the new Director-General of UNIDO

Vienna, 30 November 2021

Mr. President,

My delegation extends its heartiest congratulations to H. E. Dr. Gerd Müller on his appointment as the new Director General of UNIDO.

We trust, the UNIDO, the Member States, all the stakeholders particularly the LDCs, low income and developing countries will be benefitted from his wealth of experience, expertise and commitment to inclusive and sustainable industrial development.

This has, appeared more critical than ever when we are facing an unprecedented pandemic COVID-19, with no end in sight, exposing global inequalities, hitting our economies and lifestyle hard, prompting a paradigm shift in our individual and collective thinking processes as we are desperately waiting for the post-COVID recovery, amidst worsening climatic challenges, where industrial development will play a critical role.

My delegation assures its full support to the new Director General in discharging his critical responsibilities at this critical junction of the history.

Thank you Mr. President.
