LETTER FROM THE PERMANENT MISSION OF AZERBAIJAN

Permanent Mission
of the Republic of Azerbaijan
to the International Organisations
in Vienna

No. 565/16/11

Vienna, April 29, 2002

Excellency,

I have the honour to refer to your letter dated 28 February 2002 regarding the settlement of arrears of the Republic of Azerbaijan to the United Nations Industrial Development Organization.

My Government would like to take up full membership in the endeavours as well as in the decision-making process of the Organization. Despite facing economic difficulties and after close evaluation of the given circumstances, my Government would like to propose to settle its arrears through a payment plan agreement of a 10-years’duration, taking into account the fact that the arrears accumulated by Azerbaijan emerged due to reasons beyond its control. It wishes to address the Industrial Development Board for approving the plan as well as to consider restoring its right to vote. It is the understanding that the payment plan agreement will come into effect once it has been signed by both parties and the first instalment has been made. The Government undertakes to pay the foreseen amounts according to the schedule of instalments indicated. Should, for any reason, the instalments not be paid in accordance with the terms of the payment plan, voting right will be suspended.

It would be appreciated if the UNIDO Secretariat could present this proposal to the forthcoming Industrial Development Board for its consideration and relevant action.

I avail myself of this opportunity to renew to you the assurances of my highest consideration.

Sincerely yours,

[Signed]

Amb. Vaqif Sadiqov
Permanent Representative
