## Introduction

1. On 30 October 2007, the Director-General received a letter from the Deputy Prime Minister and Minister of Foreign Affairs and European Integration of the Republic of Moldova, dated 19 October 2007, conveying the Government's firm commitment regarding the settlement of its arrears through a payment plan over a period of 10 years, as well as requesting a decision by the General Conference on the restoration of its voting rights, through a note verbale from the Permanent Mission dated 25 October 2007. The full text of the communications is provided in annex I to the present document.

## I. Draft payment plan

reflect payment of €88,502 received on 12 June 2007, as the Government wishes to apply this amount to the first instalment once the payment plan is approved.

## **II. Voting rights**

3. Article 5.2 of the UNIDO Constitution stipulates that any organ may permit a Member in arrears to vote in that organ if it is satisfied that the failure to pay is due to conditions beyond the control of the Member. Voting rights are governed by the respective rules of procedure of the governing bodies (rule 91 of the General Conference).

4. In its report to the Board, the open-ended discussion group on timely payment of assessed contributions stated: "When considering applications for the restoration of voting rights, the competent body should regularly take into account the state of payments made under an agreed payment plan" (IDB.19/12 and Corr.1, para.14). In this connection, reference is made to Board decision IDB.19/Dec.5 on timely payment of assessed contributions and previous General Conference decisions GC.9/Dec.12, GC.10/Dec.12, 13 and 14 and GC.11/Dec.11 and 12, on restoration of voting rights.

## **III. Action required of the Conference**

5. The Conference may wish to consider adopting the following draft decision:

*The General Conference:*

- (a) Takes note of the information provided in document GC.12/13;
- (b) Welcomes the commitment of Moldova to settle its arrears and decides to approve the payment plan as reported in document GC.12/13;
- (c) Takes note of the terms of the payment plan and encourages Moldova to pay regularly its instalments in line with the conditions set therein;
- (d) Gives satisfaction to the request by Moldova for the restoration of its voting rights in accordance with Article 5.2 of the UNIDO Constitution.

Note Verbale

The Permanent Representation of the Republic of Moldova to the International Organisations in Vienna presents its compliments to the United Nations Industrial Development organization (UNIDO) and has the honour to transmit herewith the message of H.E. Mr. Andrei STRATAN, Deputy Prime Minister, Minister of Foreign Affairs and European Integration of the Republic of Moldova dated 19 October 2007 addressed to H.E. Mr. Kandeh YUMKELLA, Director-General of the United Nations Industrial Development Organization with kind request to convey it to the high addressee.

In this regard, the Moldovan authorities are pleased to submit herewith their agreement to settle the arrears over a 10-year Payment Plan. It needs to be mentioned that these arrears were beyond control of the Republic of Moldova due to financial difficulties that the country experienced during the transition period to a market economy and the unusual high scale of contributions to the UNIDO Budget established earlier for the Republic of Moldova.

The Permanent Representation of the Republic of Moldova to the International Organizations in Vienna avails itself of this opportunity to renew to the United Nations Industrial Development Organization (UNIDO) the assurances of its highest consideration.

19 October 2007

Excellency,

The Government of the Republic of Moldova highly appreciates the promotion by the United Nations Industrial Development Organization of its policy of supporting countries with economies in transition in their fight against marginalization in today's globalized world.

On behalf of the Government of the Republic of Moldova, I wish to express our genuine appreciation of UNIDO's reliable and constant support provided upon, so far, in our country throughout a various number of projects. Consequently, I would like to assure You of our firm commitment to settle our debts over a ten-year period (2007-2016), as proposed by UNIDO. In order to confirm its engagement, the Republic of Moldova, in accordance with the proposed plan, on June 12, 2007, has made its first instalment in amount of 88.502 EURO, which hereby represents a determined step to restore the voting right of my country. Moreover, as You are well aware, in 2007 the Republic of Moldova has ratified the UNIDO's Constitution, that proves the serious intentions of my country to fulfil both political and financial commitments towards UNIDO.

In this regard, currently the Government of my country is well under way to fulfil its current and historic payments to the UNIDO budget and will further do so. Taking into account these developments, I would like to ask Your personal assistance in rising up the issue of restoration for the voting right of the Republic of Moldova by including it as a separate item into the agenda of the UNIDO General Conference, scheduled to take place in Vienna in the period of December 3-7th 2007.

It would be highly appreciated if the UNIDO Secretariat will convey the kind request of the Republic of Moldova to the forthcoming General Conference for its consideration and positive decision.

Taking into consideration the fruitful and ascending cooperation of the Republic of Moldova with UNIDO, please accept, Excellency, the assurance of my highest consideration.

[*Signed*]  
**Andrei STRATAN**
