The debate on the subject is reflected in summary records IDB.14/SR.9 and IDB.14/SR.10. #### IDB.14/Dec.27 PROGRAMME AND BUDGETS 1996-1997; FINANCIAL SITUATION OF UNIDO

The Industrial Development Board:

(a) Taking note of the recommendation of the Programme and Budget Committee concerning the programme and budgets for 1996-1997 contained in document IDB.14/2 and Corr.1;

(b) Taking into account the request made to the Director-General in decision IDB.14/Dec.7 of 30 June 1995 to prepare preliminary expenditure plans within the framework of document IDB.14/2 and Corr.1;

(c) Having considered the financial situation of UNIDO as of 30 September 1995, at which date outstanding contributions from 82 Member States amounted to \$88,055,586;

(d) Taking into consideration that, as of 30 September 1995, the unutilized balance of the appropriations for 1992-1993 amounted to \$14,732,924, of which \$7,588,029 had been received as of that date;

(e) Considering the need for the establishment of a separation indemnity reserve for the purpose of financing the reduction of staff;

1. Urged those Member States that had not yet paid their assessed regular budget contributions, including advances to the Working Capital Fund, for the bienniums 1986-1987 to 1994-1995, to do so without delay;

2. Recommended to the General Conference at its sixth session the approval of the programme and budgets for 1996-1997 as proposed by the Programme and Budget Committee in conclusion 95/8;

3. Requested, however, at the same time the Director-General to implement the programme and budgets for 1996-1997 within the cash resource availability and in accordance with the expenditure plans presented by him;

4. Requested the Director-General, in the event that the projected cash resource availability changes significantly from the assumptions contained in the preliminary expenditure plans, to report to and, if necessary, to convene the policy-making organs in order to review the 1996-1997 programme and budgets and scale of assessments;

5. Took note therefore of the establishment of a separation indemnity reserve to provide financial authority for the cost of separation of staff, as necessary, in a timely and systematic manner consistent with staff regulations;

6. Recommended to this effect that the General Conference, in view of the extraordinary prevailing circumstances and without constituting a precedent, approve at its sixth session the suspension of financial regulations 4.2(b) and (c), with respect to the unutilized balance of the appropriations for the biennium 1992-1993, which has been paid in, as a credit for the sole purpose of partially funding the separation indemnity reserve;

7. Requested the Director-General to report on the above on a regular basis to the policy-making organs.

31 October 1995*
