## Request from Costa Rica for restoration of voting rights based on a payment plan

### Note by the Director General

The present note draws the attention of the Board to a request from Costa Rica for restoration of voting rights based on a payment plan agreement.

### Introduction

1. A letter dated 24 May 2013 from the Permanent Representative of Costa Rica requesting a decision by the Industrial Development Board on the restoration of voting rights is shown in the annex to the present document. The letter was also circulated to Permanent Missions with an information note on 29 May 2013.

### I. Payment plan

group on timely payments of assessed contributions (IDB.19/12 and Corr.1), adopted by the Industrial Development Board in decision IDB.19/Dec.5.

## **II. Voting rights**

3. Article 5.2 of the Constitution stipulates that any organ may permit a Member in arrears to vote in that organ if it is satisfied that the failure to pay is due to conditions beyond the control of the Member. Voting rights are governed by the respective rules of procedure of the governing bodies (rule 91 of the General Conference, rule 50 of the Industrial Development Board and rule 42 of the Programme and Budget Committee). In its report to the Board, the open-ended discussion group on timely payment of assessed contributions states: “When considering applications for the restoration of voting rights, the competent body should regularly take into account the state of payments made under an agreed payment plan” (IDB.19/12 and Corr.1, para. 14).

## **III. Action required of the Board**

4. The Board may wish to consider the adoption of the following draft decision:

“The Industrial Development Board:

“(a) Takes note of the information provided in document IDB.41/26;

(b) Also takes note of the regular payment of instalments in line with the conditions of the payment plan as approved by the General Conference in decision GC.14/Dec.8, and encourages Costa Rica to continue paying regularly its instalments;

(c) At the request of Costa Rica, decides to restore its voting rights at the Industrial Development Board in accordance with Article 5.2 of the UNIDO Constitution;

(d) Recommends to the General Conference to consider positively the restoration of voting rights of Costa Rica in accordance with Article 5.2 of the Constitution.”

Sir,

I have the honour to refer to the agreement between the United Nations Industrial Development Organization and the Government of Costa Rica regarding settlement of outstanding assessed contributions under a payment plan, signed by you and Ms. Mayi Antillón Guerrero, Minister for Economy, Industry and Trade, in December 2011.

In that regard, I should like to draw to your attention the fact that the Government of Costa Rica has deposited the funds necessary to settle its arrears and, in that connection, on behalf of the Government of Costa Rica, I would kindly request you to initiate the necessary procedures for restoration of the voting rights of Costa Rica in all policymaking organs of UNIDO.

In order to proceed as necessary, I would ask that this request be communicated to the Industrial Development Board at its forty-first session for due consideration, in order that a decision be taken on the matter.

Lastly, I should like to reiterate the commitment of Costa Rica to UNIDO and its desire to continue working with the Organization to achieve national and global industrial development objectives.

Accept, Sir, the renewed assurances of my highest consideration.

[Signed]
