ITEM 3. ANNUAL REPORT OF THE DIRECTOR GENERAL FOR 2014

In accordance with Article 11.6 of the Constitution, the Director General is to prepare an annual report on the activities of the Organization. In its resolution GC.4/Res.2, the General Conference requested the Director General to fully incorporate in future annual reports the programme performance report according to Board decision IDB.7/Dec.11. At the request of the Board in decision IDB.23/Dec.12, annual reports include information on operational activities for developments arising from relevant United Nations General Assembly resolutions, including the quadrennial comprehensive policy review in accordance with United Nations General Assembly resolution 63/232. In compliance with resolution GC.10/Res.5, Member States are kept informed in the annual report of UNIDO’s role in achieving the Millennium Development Goals (MDGs).

In line with resolution GC.13/Res.3, the Annual Report of UNIDO 2014 covers information on the implementation of the medium-term programme framework, particularly with reference to its activities in support of achieving the MDGs in its three thematic priorities, and to specific accomplishments in improving the overall approach of the United Nations system’s development cooperation in support of national development priorities and strategies, and national capacity-building.

Article 9.4 (d) of the Constitution stipulates that the Board shall request members to furnish information on their activities related to the work of the Organization. In decision IDB.1/Dec.29, Member States were requested to inform the Board on their activities related to the work of the Organization when reviewing the annual report. Due to the reduction of the number of sessions of the Board in non-General Conference years (decision IDB.39/Dec.7 (f)) and following the practice established in 2013, the annual report will be presented through the Programme and Budget Committee to the Board.
