PCP

UNIDO's newest programmatic service **to support countries in accelerating ISID**, tailored to country needs, led by the host government and founded on a multi-stakeholder partnership, mainly with financial institutions, UN entities and the private sector.

It focuses on priority **industrial areas with strong potential for economic growth**, job creation and mobilizing investment and facilitate the leveraging of public and private investment.

UNIDO provides **policy advice**, technical assistance and facilitates the convening of partners throughout an enhanced inter-ministerial coordination in order **to enhance**, in quality and quantity, **the business environment**.

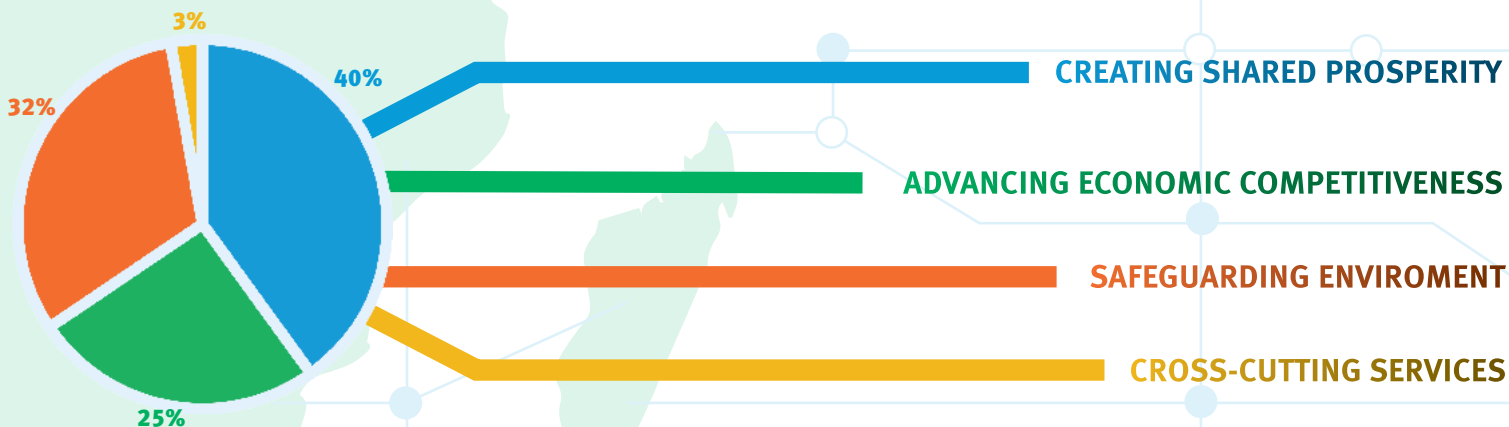

IDDA3

A **global initiative** in support of African industrialization, promoted by UNIDO as a lead implementer with core partners AU, AUDA-NEPAD and UNECA. Through its **Joint Roadmap IDDA3** offers a comprehensive overview of all Africa-centered ISID projects.

Côte d'Ivoire, Egypt, Kenya, Malta, Niger, Senegal, South Africa and Zambia are the **8 Heades of States IDDA3 Champions** for the period 2018-2020.

It represents a constantly-evolving framework for **boosting and expanding PCPs in African countries**, running a network of 30 implementing partners, such as the World Bank, EU and Afreximbank.
