Bids may be modified or withdrawn by bidders in writing, prior to the closing date specified in the ITB. Bids may not be modified or withdrawn after that time.

14. **Evaluation Procedure/Acceptance of Bids**
All Bids that are submitted in response to this ITB will be reviewed and evaluated by UNIDO in a fair and impartial way in accordance with the provisions of the UNIDO Financial Rules and Procurement Procedures applying the evaluation criteria specified in Appendix 2.

The envelopes containing Technical Bids will be opened first and the Bids compared against the qualification requirements and technical evaluation criteria set out in Appendix 2 to this ITB. After completion of the technical evaluation UNIDO will open and evaluate only those Commercial Bids, which correspond to the offers that have been found substantively responsive and compliant with the ITB requirements.

UNIDO will not open and evaluate the sealed envelopes with the Commercial Bids corresponding to the bids that have been found not substantively responsive and compliant. These bids will be discarded.

The contract will be awarded to the qualified bidder whose bid conforms to requirements set forth in this ITB and offers the lowest cost to UNIDO. UNIDO will endeavor to advise you as promptly as possible concerning the decision. UNIDO reserves the right to negotiate with the bidder who has submitted the lowest bid that fully meets the technical requirements, for the purpose of seeking revisions of such bid to enhance its technical aspects and/or to reduce the price.

15. **No Commitment**
This ITB does not commit UNIDO to award a contract. UNIDO reserves the right to accept or reject any Bid(s), or annul this ITB and reject all Bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for UNIDO action.

UNIDO also reserves the right to negotiate and award only a portion of the requirement; to negotiate and award separate or multiple contracts for the elements covered by this ITB in any combination it may deem appropriate, in its sole discretion (if the bid is to be submitted on an "all or none" basis, it should clearly state as so in this ITB); to add new considerations, information or requirements at any stage of the procurement process, including during negotiation with bidders; and reject the Bid submitted by any supplier that has previously failed to perform properly or on time contracts of a similar nature, or of a supplier that, in the opinion of UNIDO, is not in a position or is not sufficiently qualified to perform the contract.

This ITB contains no contractual proposal of any kind; any Bid submitted will be regarded as an offer by the bidder and not as an acceptance by the bidder of any offer by UNIDO. No contractual relationship will exist except pursuant to a written contract document signed by the authorized official of UNIDO and by the successful supplier(s) chosen by UNIDO.

16. **Contract Award**
UNIDO will notify the successful bidder in writing by fax that its Bid has been accepted. Upon the successful bidders confirmation of acceptance of the contract award and conclusion of the contract, UNIDO will notify each unsuccessful bidder. The notification to the unsuccessful bidders will not contain any information concerning other bidders and their prices, including that of the successful offer, due to the confidential and proprietary nature of such information. Any queries from unsuccessful bidders in respect to this will not be entertained by UNIDO.
UNIDO reserves the right to publish the successful supplier (i.e. Contractor name) and Total Contract Amount etc. in line with UNIDO’s rules and regulation.

17. **Signing of Contract**
   After the successful bidders acceptance of the UNIDO contract award, UNIDO will send to them the contract documents incorporating all agreements between the parties. The successful bidder shall sign and date the contract and return it to the UNIDO no later than two (2) weeks of the receipt of the contract documents.

18. **Contract Basic Terms and Conditions**
   Except as otherwise required by the circumstances of the requirements, the contract for the proposed services will be based upon the terms and conditions of the following Model Contract and Annexes, attached hereto as Appendix 3:
   - Model Contract
   - Annex A: UNIDO General Terms and Conditions
   - Annex B: Packing and Marking of Shipments

19. **Payment**
   Payment will be normally made in accordance with Section 3.5 of the Model Contract, Appendix 3. The Financial Regulations and Rules of UNIDO preclude payment by Letters of Credit. Such provision in a Bid will be prejudicial to its evaluation by UNIDO. The normal terms of payment by UNIDO are 30 days upon satisfactory delivery of goods or performance of services and acceptance thereof by UNIDO, progress payments being allowed upon agreement of the Parties. Bidders must therefore clearly specify in their Bids if they offer the payment terms different from those of UNIDO.

20. **Marking of Envelope**
   As provided in paragraph 3 above, your bid shall be submitted in two separate (2) sealed envelopes, one of which containing one (1) original and one (1) copy of the TECHNICAL BID (without prices and commercial terms), the other containing one (1) original and one (1) copy of the COMMERCIAL BID (with prices and commercial terms).

IN THE EVENT YOUR OFFER IS NOT SUBMITTED IN TWO SEPARATE ENVELOPES AND/OR YOUR TECHNICAL BID CONTAINS PRICE INFORMATION, YOUR OFFER WILL BE REJECTED.
21. Proprietary Information
It is understood that this ITB is confidential and proprietary to UNIDO, contains privileged information, part of which may be copyrighted, and is received by bidders on the condition that no part thereof, or any information concerning it may be copied, exhibited, or furnished to others without the prior written consent of UNIDO, except that the bidder may exhibit the specifications to prospective sub-contractors for the sole purpose of obtaining Bids from them. Notwithstanding the other provisions of this ITB, bidders will be bound by the contents of this paragraph whether or not their company submits a Bid or responds in any other way to this ITB.

The clarifications requested beyond this date will not be entertained by UNIDO. Written copies of the response (including an explanation of the query but without identifying the source of inquiry) will be sent to all bidders who have indicated their intent to submit an offer.

24. Costs of Preparation of the Bid
This ITB does not commit UNIDO to pay any costs incurred in the preparation or submission of Bids, or costs incurred in making necessary studies for the preparation thereof, or to procure or contract for services or supplies. The bidders shall bear all the costs associated with the preparation and submission of the Bids, and UNIDO will not in any case be responsible or liable for those costs, regardless of the conduct or outcome of this competitive exercise.
