MARCO KAMIYA, PhD

Marco Kamiya is Chief of the Division of Innovation Strategies and Digitalization at UNIDO (United Nations Industrial Development Organization). The Division works on frontier technologies, innovation ecosystems and the digital economy applied to industrial sectors at a territorial level. Smart and Intermediary Cities are an important focus of work.

Marco Kamiya was the Coordinator of the Urban Economy and Finance Branch at UN-HABITAT. He was senior officer at CAF Development Bank for Latin America in Caracas, the Inter-American Development Bank in Washington DC, and senior economist of PADECO Co., Ltd., a development consulting firm in Tokyo.
