All Proposals that are submitted in response to this RFP will be reviewed and evaluated by UNIDO in a fair and impartial way, in accordance with the provisions of the UNIDO Financial Rules and Procurement Procedures, applying the qualification requirements and evaluation criteria specified in Appendix 2.

The envelopes containing Technical Proposals will be opened first and the Proposals will be evaluated against the qualification requirements and technical evaluation criteria set out in Appendix 2 to this RFP. After completion of the technical evaluation, UNIDO will open and evaluate only those Commercial Proposals, which correspond to the Technical Proposals found substantially responsive to the RFP requirements and meeting the qualification requirements. UNIDO will not open the sealed envelopes with the Commercial Proposals corresponding to the Technical Proposals that have been found not substantially responsive. These Proposals will be discarded.

The Contract shall be awarded based on the best value for money principles to the qualified bidder whose Technical Proposal has been found substantially responsive and whose Commercial Proposal is the lowest cost to UNIDO. UNIDO will endeavor to advise you as promptly as possible concerning its decision.

UNIDO reserves the right to negotiate with the bidder who has submitted the lowest cost, substantially responsive Proposal, for the purpose of seeking revisions of such Proposal to enhance its technical aspects and/or to reduce the price.

11. No Commitment

This RFP does not commit UNIDO to award a contract. UNIDO reserves the right to accept or reject any proposal(s), or annul this RFP and reject all proposals, at any time prior to award of contract, without thereby incurring any liability to the affected bidder (s) or any obligation to inform the affected bidder(s) of the grounds for UNIDO action.

UNIDO also reserves the right to negotiate and award only a portion of the requirement; to negotiate and award separate or multiple contracts for the elements covered by this RFP in any combination it may deem appropriate, in its sole discretion; to add new considerations, information or requirements at any stage of the procurement process, including during negotiation with bidders; and reject the proposal submitted by any bidder that has previously failed to perform properly or on time contracts of a similar nature, or of a bidder that, in the opinion of UNIDO, is not in a position or is not sufficiently qualified to perform the contract.

This RFP contains no contractual proposal of any kind; any proposal submitted will be regarded as a Proposal by the bidder and not as an acceptance by the bidder of any proposal by UNIDO. 15. Payment

Payment will be normally made in accordance with the terms of the model Contract. The Financial Regulations and Rules of UNIDO preclude payment by Letters of Credit. Such provision in a Proposal will be prejudicial to its evaluation by UNIDO. The normal terms of payment by UNIDO are 30 days upon satisfactory delivery of goods or performance of services and acceptance thereof by UNIDO, progress payments being allowed upon agreement of the parties.
