

UNITED NATIONS
INDUSTRIAL DEVELOPMENT ORGANIZATION

Workshop on Kigali Implementation Plans Closing

16 June, 2023
Vienna, Austria

UNITED NATIONS
INDUSTRIAL DEVELOPMENT ORGANIZATION

What have you talked about

Scene setting

Quota's

What to do first in a KIP

Sector specific questions

Synergies

Recovery, recycling, reclamation

Gender

Energy efficiency programming

UNITED NATIONS
INDUSTRIAL DEVELOPMENT ORGANIZATION

What were our take-away's?

The Montreal Protocol Community is ready to move forward on KIPs
Not everything will be done in stage one

And in the end your highest priorities for stage 1 might be counter-intuitive

High interest in technical sessions

You decide where to go, but consider future developments and long term trends

This afternoon: Vocational training

Addresses one of the mistakes (in my view) we made in the MP:

Not enough sustainability in the service sector training

Near future changes

UNIDO, with its new management, undergoes substantial reorientation

Montreal Protocol was identified as a particularly relevant and important area of work for the organisation

The current Montreal Protocol Unit will become a Division of its own

**Today: Last day in my official function in my work as
Director, Division for Circular Economy and Environment**

New function as of Monday

**To my friends here at the workshop: Thank you very much for many, many years
of working together over several decades**

UNITED NATIONS
INDUSTRIAL DEVELOPMENT ORGANIZATION

Thank you:

To all the Ozone Officers, Representatives of Governments

To the Secretariats, namely Ozone and Multilateral Fund

To our colleagues from other organisations: EC / DG Clima, UNEP, GIZ, ...

To our excellent technical experts

For coming here, and with your presence, presentations, contributions and questions making this event a success

We plan to continue offering you to meet in this format

About every two years

Discuss the latest developments and how to move forward

But please allow me to thank very much Ole, but also and in particular the outstandingly excellent MP team of UNIDO

A woman with dark hair, wearing a white hard hat and a high-visibility yellow and green safety vest, stands in front of a stack of shipping containers. She is looking directly at the camera with a slight smile. The background shows several stacked containers in shades of orange, blue, and green under a clear sky.

THANK YOU!
