<tbody>
<tr>
<td>1. Could you tell us if it’s possible to visit the ANDE site? A visit prior to the work is especially important. In this case, travel costs are covered by Company.</td>
<td>We understand that a site visit has potential benefits for bidders. However, presently UNIDO will not be able to allow such visits due to the absence of procurement personnel in the field. Procurement personnel’s presence is essential to guarantee adherence to UNIDO’s rules and procedures, particularly in these delicate situations. Furthermore, we kindly request all bidders to refrain from getting in touch with the site or government authorities through other/alternative means. Engaging in such action will lead to the rejection of their offer.</td>
</tr>
<tr>
<td>2. We will require an extension. Can you confirm that we can have an extension of 1 month?</td>
<td>As already mentioned, we are currently not considering an extension of the deadline, as the urgency of the services is paramount. In view of this, we kindly ask you to review the tender documentation in its entirety and, where necessary, send us clarification questions at your earliest convenience. Please note that receipt of clarifications later than 2 weeks prior to the deadline for the submission of proposals may not be accommodated.</td>
</tr>
</tbody>
</table>

To improve efficiency, kindly try to send ALL your clarification questions in one single communication.

Please also be reminded that request for clarifications, if any, shall be received two weeks prior to the offer submission deadline.
