4. **General Eligibility, Exclusion Criteria and Qualification Requirements**
UNIDO requires that bidders provide professional, objective, and impartial advice and technical assistance, and at all times hold UNIDO’s interests paramount, without any consideration for future work, and strictly avoid conflicts with other assignments or their own corporate interests. Bidders shall not be hired for any assignment that would be in conflict with their prior or current obligations to UNIDO, or that may place them in a position of not being able to carry out the assignment in the best interest of UNIDO. All bidders found to have a conflict of interest may be disqualified.

Without limiting the generality of the foregoing, a bidder shall not be eligible to participate in this procurement or be considered for any eventual contract if the bidder, or any employee, executive, manager or director thereof, is associated, or has been associated in the past, directly or indirectly, with a firm or any of its affiliates, which have been engaged by UNIDO to provide consulting services for the preparation of the technical specifications, terms of reference or any other substantive documents to be used for the procurement of the services under this RFP.

Bidders may be requested to provide such evidence of their continued eligibility to UNIDO, as and when UNIDO shall reasonably request. Eligibility and qualification will also be based on the bidder’s capability of meeting the qualification requirements specified in Appendix 2: Qualification Requirements and Evaluation Criteria regarding the bidder’s general and particular experience, personnel and equipment capabilities, and financial position, as demonstrated by the bidder on the relevant forms and templates attached to its proposal.

5. **Statement of Confirmation**
You are required to complete and sign the Statement of Confirmation, on the last page of these instructions. The Statement of Confirmation shall be included in the envelope with the Technical Proposal.

6. **Acknowledgement Copy of Status of Proposal**
You are kindly requested to return the attached Appendix 6 Acknowledgement Copy duly
signed by an authorized representative, to UNIDO via e-mail advising whether or not your company/organization intends to submit a proposal prior to the designated closing date for receipt of proposals.

7. **Retention of Proposals**
   Following submission of the Proposals and final evaluation, UNIDO will have the right to retain unsuccessful proposals. It is the supplier's responsibility to identify any information of a confidential or proprietary nature contained in its proposal, so that it may be handled accordingly. However, UNIDO cannot guarantee confidentiality.

8. **Completeness of Proposal**
   You are expected to examine all instructions, forms, terms and specifications in this RFP. Your proposal must include information in sufficient scope and detail to allow UNIDO to consider whether your company/organization has the necessary capability, experience, knowledge, expertise, financial strength, and the required capacity to perform the work specified satisfactorily. Failure to furnish all information required by the RFP or submission of a proposal not substantially responsible to the RFP in every respect will be at the supplier's risk and may result in the rejection of its proposal.

9. **Correctness of the Proposal**
   **Arithmetical errors will be rectified on the following basis:**
   If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the supplier does not accept the correction of errors, its proposal will be rejected. If there is a discrepancy between words and figures the amount in words will prevail. UNIDO reserves the right to verify all information furnished by the supplier through any sources of its choice. Any inaccurate information given may lead to a rejection of the proposal.

    The overall time period for the completion of the work is indicated in Appendix 1. Your proposal must include a time schedule for the completion of the proposed work [also referred to above].

11. **Reports**
    UNIDO will require the reports listed in the Terms of Reference, Appendix 1.

12. **Type of Contract**
    A firm, fixed price is contemplated for the contract, covering all the inputs required of the Contractor as stated in the Terms of Reference, Appendix 1 and in the Model Contract, Appendix 4.

13. **Withdrawal and Modification of Proposals**
    Proposals may be modified or withdrawn by suppliers in writing, prior to the closing date specified in the RFP. Proposals may not be modified or withdrawn after that time.

14. **Evaluation Procedure**
    All proposals that are submitted in response to this RFP will be reviewed and evaluated by UNIDO in a fair and impartial way in accordance with the provisions of the UNIDO Financial Rules and Procurement Procedures applying the evaluation criteria specified in Appendix 2.

14.1 **Preliminary Examination**
    UNIDO will examine the proposals to determine whether they are substantially responsive. In particular, UNIDO will assess whether the proposals are complete, whether they comply with the qualification requirements specified in the RFP, whether the duly signed statement of confirmation, or any other requested statement along with the requesting accompanying documentary evidence, pursuant to the UNIDO policy on exclusion from funding (DGB/2021/15) has been submitted within the given deadline; whether any computational/arithmetical errors have been made, whether the documents have been duly
signed, and whether commercial information is not included in the technical proposal when using a two-envelope procurement method. The preliminary examination may also involve a background check of bidders.

For the purpose of this clause, a substantially responsive proposal is one which conforms to all the terms and conditions of the RFP without material deviations. UNIDO’s determination of a proposal’s responsiveness is based on the contents of the proposal itself without recourse to extrinsic evidence. A proposal determined as not substantially responsive will be rejected by UNIDO and may not subsequently be made responsive by correction of the non-conformity.

14.2 Evaluation and Comparison of Proposals

A two-stage procedure is utilized in evaluating the proposals. The evaluation of the technical parts of the proposals is completed prior to the evaluation of the price-related parts of the proposals.

In the first stage, UNIDO will evaluate the technical parts of the proposals on the basis of their responsiveness to the Terms of Reference in particular and the RFP in general, applying the evaluation criteria as specified in Appendix 2.

As part of the evaluation process, UNIDO reserves the right to waive minor deviations from the requirements and criteria, if they do not materially affect the capability and/or capacity of a bidder to perform the contract under consideration.

During the technical evaluation, a rating/scoring system may be applied if so specified in the RFP.

The technical evaluation should ascertain that the proposals are technically acceptable and do not contain material deviations from the technical requirements (i.e. being substantially responsive).

In the second stage, the price-related parts of all proposals, which were found to be substantially responsive and attained the minimum technical score, will be compared against the commercial evaluation criteria as specified in the RFP.

15. Selection Criteria

The contract shall be awarded based on the best value for money principles to the qualified supplier whose Technical Proposal has been found substantively responsive and whose Commercial Proposal is the lowest cost to UNIDO. UNIDO will endeavor to advise you as promptly as possible concerning its decision.

UNIDO reserves the right to negotiate with the supplier who has submitted the lowest cost substantively responsive proposal, for the purpose of seeking revisions of such proposal to enhance its technical aspects and/or to reduce the price.

16. No Commitment

This RFP does not commit UNIDO to award a contract. UNIDO reserves the right to accept or reject any proposal(s), or annul this RFP and reject all proposals, at any time prior to award of contract, without thereby incurring any liability to the affected supplier(s) or any obligation to inform the affected supplier(s) of the grounds for UNIDO action.

Offers shall be made on an “all-inclusive basis”. Notwithstanding this, UNIDO also reserves the right to negotiate and award only a portion of the requirement; to negotiate and award separate or multiple contracts for the elements covered by this RFP in any combination it may deem appropriate, in its sole discretion; to add new considerations, information or requirements at any stage of the procurement process, including during negotiation with suppliers; and reject the proposal submitted by any supplier that has previously failed to perform properly or on time contracts of a similar nature, or of a supplier that, in the opinion of UNIDO, is not in a position or is not sufficiently qualified to perform the contract.

This RFP contains no contractual proposal of any kind; any proposal submitted will be
regarded as a proposal by the supplier and not as an acceptance by the supplier of any proposal by UNIDO. No contractual relationship will exist except pursuant to a written contract document signed by the authorized official of UNIDO and by the successful supplier(s) chosen by UNIDO.

17. **Contract Award/Notification of Award**
UNIDO will notify the successful bidder in writing that its proposal has been accepted. The notification to the unsuccessful bidders will not contain any information concerning other bidders and their prices, including that of the winning offer, due to the confidential and proprietary character of such information. Any queries of unsuccessful bidders to this respect will not be entertained by UNIDO.

The Procurement Official will send a notification of award to the successful bidder(s) and, notification(s) of rejection to the unsuccessful bidder(s) within 5 days from the date of approval of the statement of award. The notification(s) of rejection to the unsuccessful bidder(s) shall include the procedures and deadlines to protest the award.

18. **Protest Procedures**
A bidder who believes that it has been unjustly treated in connection with a procurement process may lodge a protest within 10 days upon receipt of the notification of rejection of its proposal. The requirements and process to lodge protests can be found on [www.unido.org/unido-procurement](http://www.unido.org/unido-procurement).

Receivability of protests shall be made by UNIDO. UNIDO shall have the discretion to request additional information from the bidder, if deemed appropriate. Unsupported allegations and assertions are not sufficient for the process to continue. A decision rejecting the receivability of the protest by UNIDO is final and shall be communicated in writing to the protesting bidder.

19. **Review of the Merits and Conclusion of Protest**
Upon review of a protest, UNIDO shall decide on the merits of the protest. The relevant Procurement Official shall notify the protester of the final decision on the merits of the protest.

The contract(s) will be concluded with the successful bidder(s), unless UNIDO determines either to suspend the process until the merits of the protest have been decided upon, or, if the totality of the circumstances militate, cancel the procurement process and start a bidding process.

Nothing in the above procedures or in any procedure or action by or relating to UNIDO with respect to or in connection with a protest procedure shall be deemed in any way to constitute a waiver of any of the privileges and immunities of UNIDO.

20. **Publication of Award**
Within 14 days from the date of receipt of the countersigned contract, the relevant Procurement Official will publish, subject to applicable thresholds and other conditions required by relevant funding partners, the award notice. The award notice should, at a minimum, contain the following information:

- Contractor name and address;
- Description of procurement notice;
- Awarded currency and amount;
- Award date;
- Location/country;
- Funding partner.

The award notice shall, at a minimum, be published on the websites of UNIDO and UNGM, in addition to other relevant websites as required by the funding partner(s).

The award notice shall be published on the above-referenced websites no later than 30 June of
the year following the financial year in which the awarded funds were legally committed.

21. **Signing of Contract**
After the successful supplier’s acceptance of the UNIDO contract award, UNIDO will send the supplier the contract documents incorporating all agreements between the parties. The successful supplier shall sign and date the contract and return it to the UNIDO no later than two (2) weeks of the receipt of the contract documents.

22. **Contract Basic Terms and Conditions**
Except as otherwise required by the circumstances of the case, the contract for the proposed services will be based upon the terms and conditions of the following Model Contract and Annexes, attached hereto as Appendix 4:

- Model Contract
- Annex A – Special Conditions of Contract (if applicable)
- Annex B – General Conditions of Contract
- Annex C- Terms of Reference
- Annex D – Performance Guarantee Form (if applicable)

23. **Payment**
Payment will be normally made in accordance with the Model Contract, Appendix 4. The Financial Regulations and Rules of UNIDO preclude payment by Letters of Credit. Such provision in a proposal will be prejudicial to its evaluation by UNIDO. The normal terms of payment by UNIDO are 30 days upon satisfactory delivery of goods or performance of services and acceptance thereof by UNIDO, progress payments being allowed upon agreement of the Parties. Suppliers must therefore clearly specify in their proposals if they offer the payment terms different from those of UNIDO.

24. **Marking of Envelope**
As provided in paragraph 3 above, your proposal shall be submitted in two separate (2) sealed envelopes, one of which containing one (1) original and two (2) hard copies, as well as a soft copy, of the Technical Proposal (without prices and commercial terms), the other containing one (1) original and two (2) copies, as well as a soft copy, of the Commercial Proposal (with prices and commercial terms).

**IMPORTANT NOTE:** PLEASE ENSURE THAT IN PREPARING YOUR OFFER THE INSTRUCTIONS IN PARAGRAPH 3 OF THIS RFP FOR SUBMISSION OF THE TECHNICAL (WITHOUT PRICES) AND COMMERCIAL PROPOSALS IN SEPARATE SEALED ENVELOPES BE STRICTLY FOLLOWED. IN CASE YOUR OFFER IS NOT SUBMITTED IN TWO SEPARATE ENVELOPES AND/OR YOUR
TECHNICAL PROPOSAL CONTAINS PRICE INFORMATION YOUR OFFER WILL BE REJECTED.

25. Proprietary Information
It is understood that this RFP is confidential and proprietary to UNIDO, contains privileged information, part of which may be copyrighted, and is received by suppliers on the condition that no part thereof, or any information concerning it may be copied, exhibited, or furnished to others without the prior written consent of UNIDO, except that the supplier may exhibit the specifications to prospective sub-contractors for the sole purpose of obtaining proposals from them. Notwithstanding the other provisions of this RFP, suppliers will be bound by the contents of this paragraph whether or not their company submits a proposal or responds in any other way to this RFP.

26. Rejection of Proposals and Split Awards
UNIDO reserves the right to reject any and all proposals if they are not in compliance with this RFP.

UNIDO also reserves the right to split an award between any suppliers in any combination, as it may deem appropriate. If the proposal is submitted on an "all or none" basis, it should clearly state as so in this RFP.

27. Request for Information
Any requests for clarifications, additional information, etc., relating to this RFP must be addressed in writing to the Procurement Services Division/OSS/CMO for the attention of Ms. A. Bravin (A.Bravin@unido.org), copy to Ms. Rachael Bitah (R.Bitah@unido.org). If despite the above instruction additional information and clarifications are obtained by the supplier from other sources, the supplier will be disqualified and the bid rejected.

UNIDO will respond in writing to any request for clarification of this RFP, which is received no later than two (2) weeks prior to the deadline for the submission of proposals. The clarifications requested beyond this date may not be entertained by UNIDO. Written copies of the response (including an explanation of the query but without identifying the source of inquiry) will be sent to all suppliers who have indicated their intent to offer by submitting a completed Acknowledgment Copy.

28. Costs of Preparation of the Proposal
This RFP does not commit UNIDO to pay any costs incurred in the preparation or submission of proposals, or costs incurred in making necessary studies for the preparation thereof, or to procure or contract for services or supplies. The suppliers shall bear all the costs associated with the preparation and submission of the proposals, and UNIDO will not in any case be responsible or liable for those costs, regardless of the conduct or outcome of this competitive exercise.
